The following is a contract between WSDI, the Parent and Student.

By enrolling your student in WSDI, you are agreeing to the policies and terms that are set forth by Western Slope Driving Institute.

A Non-Refundable deposit of \$100.00 is due upon registration.

The remainder of the balance is due on or before the first day of class. Once you have registered for class, there is a \$25.00 fee to change classes. Once the class has started, no refund will be given.

All course curriculum must be done within 6 months of your start date. By law if you are not finished your driver's education program is null and void, per the State of Colorado.

The Home Study Course is Non-Refundable once purchased.

We schedule our drive time through an online scheduling program called Schedule2Drive.
This requires a one time fee of \$10.00.

The student is required to keep his/her appointments for the 6 hours of behind- the-wheel instruction. The student has 13 months from the first day of class to finish all 6 hours of Drive Time. Parents and students need to abide by the Drive Time Cancellation Policy. A minimum of a **72 Hour Notification** must be given to cancel your drive time. Should a parent/student fail to notify WSDI as required, fail to show up at the scheduled drive time, or show up 15 minutes late, the student will lose the drive time and it will need to be paid for prior to rescheduling any more drive time. WSDI will charge the rate of **\$40.00 PER-HOUR to reschedule.** WSDI reserves the right to cancel drive time for any reason. It takes approximately 2 months to get online to schedule your first drive time.

In addition, the student agrees to attend and participate in class and is not to distract or deter others from learning. If your student has behavior problems, he/she may be expelled.
 If your student is expelled, no refund will be given.

THESE RULES AND REGULATIONS ARE SUBJECT TO CHANGE WITHOUT NOTICE.
